法律系學術演講

Using Data Mining Tools
For Law Matters

主講人：

張正雄教授(本校工業設計系客座教授)
C. Alec Chang, Ph.D, P.E.

Department of Industrial & Manufacturing Systems
Engineering
University of Missouri – Columbia
Columbia, Missouri 65211, U.S.A.

This presentation introduces the basic concept of data mining.   Then a case of nontrivial extraction of previously unknown and useful information from data warehouse will be discussed.   Finally two commercial data mining tools for law enforcement and patent management will be illustrated.

本演講乃針對法律事務之資訊數據之挖掘與利用（如專利管理與法律執行方面），主講人張正雄教授目前擔任本校工業設計系客座教授，具備豐富之專利實務經驗，歡迎本系全體師生踴躍參與。

Time: *1:00-2:30pm, April 1 (Thursday), 2004*

Location: 本系會議室
